volunteers please.*

Cancer rooms

111 Cameron Road

The Raft

65 Chapel Str.

Look forward to seeing you all 26th May at the Cancer Rooms. Please make an extra effort to come and hear our guest speaker Mark Riddel. He is speaking about a new barrier cream and "Happy Feet". Mark is travelling from Hamilton.

Take Care Dian

Richards Ramblings May 2018.

Well thanks in part to the Western Bay of Plenty Ostomy Society I was able to attend the recent World Council of Entrostomal therapist's bi- annual Congress in Kuala Lumpur Malaysia. I ended up giving the very first speech which was a bit concerning as there were 1200 people present however no one booed so I guess that it went down OK. The ASPOA had a little stand in the main hall and we certainly attracted a fair number of visitors. This congress was an extremely well run event with attendees from virtually every part of the globe. I made a very large number of contacts which I hope will in the next few months I will be able to act on. Things like new Ostomy Associations in new countries, product to be despatched to Asia and Africa, new STN groups being formed where none had existed before. I would like to think that we in NZ can bond with some of the newer associations overseas to the mutual benefit of all. I am very grateful to my sponsors, The Wbop Ostomy, The Cancer Society, The Hargreaves Trust and Salts / Ainscorp.
