

Sept.. 2018

# Western BoP Ostomy Society Inc.

(Covering the Western Bay and Rotorua Areas)

[www.ostomybop.weebly.com](http://www.ostomybop.weebly.com)

## Hi Ostomates friends

September is here and we have something different this time. My husband Les will speak about his Archeology find as a teenager. Please come along for a fun afternoon on the 22th September 1pm at the cancer rooms 111 Cameron Road..See you there Take care Dian.

Save the Date Saturday 6th of October 2018.

Western Bay of Plenty World Ostomy Day Seminar.

To celebrate World Ostomy day 2018 we have decided to hold a major seminar here in Tauranga at "Woodhill" which is 167 Grange Road Tauranga starting at 9am on Saturday the 6th of October. Right now we are arranging a very good selection of speakers both Ostomy and others who you will find very interesting so please save the date and support this function, it has taken a lot of effort so we need YOU to make it a success. We have kept the cost per person to \$10 which includes a finger food lunch.

A registration form is attached along and we would ask that people please register as soon as possible so that we will have the correct numbers for the caterers as we do not wish to over order. We will have representation from appliance companies so that is another good reason to attend, remember that there is no national conference this year so this is the next best thing!

World Ostomy Day is being celebrated around the world on this day (but we will probably be the first!) so lets make the Western Bay event the best of the lot.

Richard McNair
