Richards Ramblings April 2019

Hi Everyone,

The Executive have decided that as the Waikato FNZOS Conference is probably the last one in our neck of the woods for the foreseeable future and as we would like to encourage as many people as possible to attend even for the Saturday that we will subsidize the Saturday registration fee by 50% which is \$30 per paid up member. I can recommend that as many people should try and attend. If you wish to take advantage of this offer please contact me by phone (5737443 or 0274749812) and I will send you the registration form and instruction sheet.

We had a great but noisy lunch meeting earlier in May where we had Priya from Convatec talking to us about their latest products which was very interesting and I am looking forwards to our next event which is a coffee morning at the Raft on June 25th. See you there.

OBITUARY

Recently there was the loss of Marie Swaisland Clark of Te Puke. Marie valued her association with Western Bay of Plenty Ostomy Society and liked to drive herself to events held in Tauranga at the tender age of 89. When it was suggested to her she shouldn't drive to Auckland any more she was most aggrieved. Her last few months came on her very suddenly. Several committee attended her funeral.

Goodbye Marie
